

## AMENDMENT TO CLAIMS

*Please amend the claims as set forth herein.*

26. (currently amended) An illuminated mouse comprising:
- one or more exterior mouse components comprising an optically transmissive material; and
  - one or more flexible luminescent lamps underlying said one or more exterior, optically transmissive components to provide an intensity of illumination to said components visual to a user of the mouse, wherein the one or more mouse components includes an optically transmissive mouse button.
- 27-28 (cancelled).
